

CONGRATULATIONS on being selected for a team for our up and coming miniball tournament that is being held in Invercargill 29th November 2019 at Stadium Southland.

Team name and lists have been posted on Facebook and our website, so you know which team your child is in as well as your coach. The draw is not yet out and when it is released, we will also have this posted online.

Games are likely going to start 9am and we ask that all children are there by 8:45am irrespective if you play at 9am or not. Most of you will have transport however if you need a ride down please let Peter or Erin know. For those kids that need a ride down you need to be at the Basketball Stadium on Avon Street at 7:35am.

Games are likely to finish by 2:30pm in Invercargill and again if your child needs a ride home please let us know.

When you arrive at Stadium Southland your coach will be in the foyer waiting for you to give you instructions for the day. We really don't want the kids leaving Stadium Southland. There will be no time to shoot away and have lunch. All players must be prepared with a full day of food and drinks bottles to keep them hydrated.

You will all be supplied a uniform for the day, and this will be given out when you arrive and must be handed in by the end of the day. There is a small charge for each child of \$10 which goes towards keeping our team uniforms looking sharp!

We have close to 60 kids attending this tournament. It is important that we look after each other when we are down there. Please make sure you know your child's team name and when they are playing on the draw. As much as our coaches are awesome, they will be busy coaching and doing a little bit of refereeing.

Parents are not allowed to sit on the bench with their kids when they are playing nor hovering behind them. Your job for the day is to cheer them on and be 100% supportive of their team and make sure they are fed and watered between games.

If you have any questions, please do not hesitate to contact Peter 027 4545 113 or Erin on 027 208 0262

Go Eastern!
